MD12-07 SUPPLIER TECHNICAL AGREEMENT

By signing this agreement the supplier states that that the medicinal products offered for sale to Finno Medical have been sourced from the legitimate supply chain and confirms that the products supplied are maintained within appropriate temperature conditions at all times, including during storage and transportation as per EU GDP (2013/C 343/01) requirements and guidelines.

The wholesaler also hereby accepts and commits to the following:

- To operate according to current Guidelines on Good Distribution Practice of Medicinal Products for Human Use, 2013/C 343/01 (GDP).
- To provide Finno Medical with current wholesaler certificate authorisation adequate for the business operation and to inform Finno Medical to any changes, additions, suspension or loss of this certification.
- To have a Responsible Person according to current GDP and provide Finno Medical with the name and signature of that person.
- Only to sell and deliver medicinal products approved and released for EU.
- To immediately inform Finno Medical of any types of recalls in the local market for the products Finno Medical purchases(ed).
- To be of assistance, if necessary, in recall and complaint situation.
- Inform Finno Medical on significant changes in the business operation that may alter the quality of the product.
- Forward any counterfeit intelligence known to the wholesaler.
- To appropriately prepare shipment of pharmaceuticals and clearly mark all boxes with transport condition requirement (e.g. temperature requirement).
- Permission for Finno Medical to audit your facilities.
- To put all pharmaceuticals in hard carton boxes and/or a pallet, secured in a safe manner, i.e. carefully wrapped in stretch wrapping film and properly labelled. Maximum pallet height should be 150 cm.
- According to the guidelines of directive EEE 2013/C 343/01 digitally signed contracts are acceptable.
